

Difficult Issues in Museums - Blog Post Submission

www.icom-helsingborg-2017.org/blog

We appreciate your interest in submitting a post for our conference blog! Contributions should be related to the conference topics, but can take on any form (reports, ideas, papers or paper abstracts, art work, or current thinking). Posts must be submitted in English, we do not provide any proof-reading. We are planning to include a selection of all blog posts in the conference proceedings. Authors will be contacted with details at a later date.

Please include the following items (*required items in bold) in your contribution and mail it to a member of the [blog team](#).

- Author/s***
- Affiliation and/or short biographical information
- Professional Email/Website (if you want it to be published)
- Short Post Title***
- Post Abstract*** (max. 150 characters)
- Post Body***
- Useful Links
- Pictures (72dpi) with captions. By submitting images you confirm that you have the rights to publish them.
- 2-5 Keyword/s***

Thank you!
